SCHOOL ADMINISTRATOR: KAREN SLACK

This school is licensed under chapter 18.16 RCW. Inquiries, concerns, or complaints regarding this school can be made to the Department of Licensing, PO Box 9026, Olympia, WA 98507-9026, (360) 664-6626. plssunit@dol.wa.gov.

SCHOOL FACILITY

Nail Spa Academy is located at its current address 615 S Mission St in Wenatchee, WA 98801. This facility provides hands-on instruction assisting and providing a high learning environment, with separate areas for nail, pedicure, and esthetics. At the Nail Spa Academy, students perform services for actual clients. Students accumulate most of their 500, 600, or 750 hours working with clients to become skilled practitioners.

Working on actual clients mimics real life situations and allows students to exercise the professional comportment taught in class. A spa atmosphere is vital for both students and clients to maximize their experience, this entire model facilitates a smooth transition for future employment.

Nail Spa Academy places emphasis on developing the student mindset to use the current methods. Students have access to equipment necessary for their instruction, including but not limited to nail tables, pedicure tubs, the latest hand nail drills, facial beds, facial machines, 8 function (steam electric brush) high frequency galvanic electric spray, magnifying lamps, microdermabrasion machines, light therapy, micro current machine, and permanent makeup machine. Students will work with the latest products and techniques available. We have exceptional resources to develop the trade skills, business knowledge, and industry professionalism.

“The Nail Spa Academy fully commits to provide the necessary resources to ensure the success of our graduates”

TUITION

MANICURING \$6,000.00

INSTRUCTOR \$7,000.00

ESTHETICS \$7,500.00

ADVANCED ESTHETICS NOT AVAILABLE

METHOD OF INSTRUCTION

The actual instruction will consist of theory, class practice, and job-like situations as outlined in this school catalog. Initially, topics will be introduced to a class-size group at a time, then actual training will be individualized as necessary to meet the needs of each student, allowing everyone to develop his or her potential to achieve their goals; first becoming licensed as a manicurist, esthetician, or instructor and then being hired as an employee in a beauty salon.

CAREER OPPORTUNITIES

What a wonderful place to be in the world of Cosmetology! You are at the threshold of opportunity. Apply yourself and the possibilities are limitless. As you begin, you may not know whether you prefer working with hair, skin, or nails. Enter the classroom with an open mind as you begin your course of study. The following vocations are options you may want to consider upon graduation.

MANICURING	ESTHETICS	INSTRUCTOR
Professional Nail Technician Nail Care Specialist Synthetic Nail Technician Nail Salon Manager Platform Artist Product Representative Retail Specialist	Specialist Makeup Technician Dermatology Technician Plastic Surgery Support Product Representative Spa Owner or Manager State Board Member State Board Examiner Image Consultant Styles Consultant	Private/Public School Instructor Instructor Image Consultant Rep. Director of Education School Admin Platform Artist Board Member/ Examiner Owner/Manager Consultant

CAREER CONSIDERATIONS

Person who wants to become a successful professional must:

- Have finger dexterity and a sense of form and artistry
- Enjoying dealing with the public and be able to follow a client's direction
- Keep abreast of the latest fashions and beauty techniques
- Work long hours while building a personal clientele in order to make the desired income
- Make strong commitment to the educational process and finish school
- Learn business skills in order to operate his/her own spa or salon

In addition, student should be aware that:

- Work can be arduous and physically demanding because of long hours standing with hands at shoulder level, sitting over a nail tech's table, or bending forward at the head of the facial chair/bed.
- A personal investment may be required for advertising and promotions such as printing business cards
- There will be exposure to various chemicals and fumes which may cause allergic reactions
- The practice of safety and sanitation is essential for effective and successful performance within the industry
- Methods of compensation vary and initially paid at federal and state minimums, may include straight salary, salary plus commission, straight commission, retail commission, or independent contracting, renting space and equipment from an existing salon

JOB OUTLOOK

Overall employment of barbers, cosmetologists, and all other personal appearance workers is projected to grow much faster than the average for all occupations. Opportunities for entry-level

worker should be favorable, while job candidates at high-end establishments will face keen competition.

NAIL SPA ACADEMY DOES NOT OFFER JOB PLACEMENT ASSISTANCE

NO FINANCING IS OFFERED BY NAIL SPA ACADEMY

GRADING

This beauty academy uses a grading scale when evaluating practical student progress and in order to record that progress on a student progress report. This numerical scale rates the student's competency according to his or her attainment of learning objectives, is as follows: Practical skills are evaluating according to procedures and performance standards establish by the state licensing agency

95 = Proficient. Can completely perform the job safely at the skill level of practicing professional.

85 = Independent. Can safely perform each step within the service, with only result checked.

75 = Capable. Can perform the job completely and safely with limited supervision

60 = Trained. Requires instruction and close supervision in order to perform task safely.

40 = Educated. Subject understood academically, but no application or demonstration performance.

0 = Unexposed. No formal experience or technical knowledge in this area.

Student Learning Objective - Measurable outcomes expected to occur as the result of instruction. Upon completion of each area of the curriculum, the student shall pass Theory Examinations and attain a Student Progress Grade of 76; meaning he or she can perform tasks completely and safely with limited supervision.

Instructional Objective - Measurable evaluation of the attainment of the student learning objectives. Upon completion of each area of the curriculum, 76% of the students will be able to pass the Theory Examinations, and 76% of the students will be able to attain a Student Progress Grade of 76; meaning the individual student can perform the task completely and safely, with limited supervision. There is an integration of academic and practical learning during the course.

Terminal Learning Objective - Final outcomes expected to occur at the completion of a course of study as a result of instruction. Completion rating of actual job readiness,

Student Progress Grade of 85; the student can completely perform tasks safely and independently.

Completed and Graduated - is the completion of the State approved minimum hourly course of training and passage of a State-approved performance evaluation administered by the school.

Any monies due the applicant or student shall be refunded within 30 days of formal cancellation date as defined above. In the case of disabling illness or injury, death in the student's immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made. If permanently closed or no longer offering instruction after a student has enrolled, the school will provide a pro rata refund of tuition to the student. If the course is canceled after a student's enrollment, the school will either provide a full refund of all monies paid or completion of the course later.

OSHA Requirements

In compliance with United States Department of Labor Occupational Safety and Health Administration requirements, the school advises its students of the chemicals used in barber/ related training. During the course work the student learns about the importance of safety in the workplace and how to use and follow the Material Safety Data Sheets (MSDS) for chemicals used in all programs of training. During each unit of study, students are apprised of the various chemicals used and safe practices that apply. A complete file containing Material Safety Data Sheets for the chemicals used is available in the administrative office. The school endeavors to facilitate a safe environment for staff and students by teaching the proper and safe use at equipment, tools, and products. The school does not assume responsibility for injuries resulting from improper or unsafe use of equipment, tools, or products.

This school is licensed under chapter 18.16 RCW. Inquiries, concerns, or complaints regarding this school can be made to the Department of Licensing, PO Box 9026, Olympia, WA 98507-9026, (360) 664-6626.

Religious Accommodation Policy: Nail Spa Academy will provide reasonable religious accommodations to students who have religious practices or beliefs that conflict with a scheduled course/program requirement. Students requesting a religious accommodation should make the request, in writing, directly to their instructor within the first two weeks of the beginning of the course and provide specific dates the student requests an accommodation. Being absent from class or other educational responsibilities does not excuse students from keeping up with any information shared or expectations set during the missed class. The student shall work with the instructor to determine a schedule for making up missed work.

Examples of religious accommodations may include:

- rescheduling of an exam or giving a make-up exam for the student.
- altering the time of a student's presentation.
- allowing extra-credit assignments to substitute for missed class work or arranging for increased flexibility in assignment due dates.

Graduation/Certificate of Completion

- Nail Spa Academy will grant a certificate of completion and Official Transcript of Hours for the applicable course when the student has successfully completed all phases of study, required tests, practical assignments; passed a final comprehensive written and practical examination; completed the program of study according to State requirements and made satisfactory arrangements for payment of all debts owed to the school.
- We do not, however, guarantee the successful completion and passing of the State examinations.
